THIS YEAR'S PLAY: A MIDSUMMER NIGHT'S DREAM

We will be using the Arden Shakespeare Third Series edition, edited by Sukanta Chaudhuri, available online or in bookstores.

WHAT IS THE SHAKESPEARE ACADEMY?

The Shakespeare Academy is a student workshop organised by the German Shakespeare Association to engage young scholars on the annual conference topic. Any bachelor's, master's, or PhD student is welcome! While the workshop itself is at the heart of the Shakespeare Academy, our aim is to create a community of young scholars who share an interest in teaching, research, or just want to try something new.

DO YOU NEED TO KNOW SHAKESPEARE?

Not at all! Our participants come from a great variety of backgrounds and different areas of study. Whether you've never read a Shakespearean drama before or are an expert, there will be something for you in our discussions and working groups focused on a different play each year.

WHAT DOES THE ACADEMY DO?

Each year we read a play which we discuss and create presentations in different working groups. The workshop will be followed by attending the Shakespeare-Tage, the annual conference of the German Shakespeare Association. Scan the QR code for more information and the application form!
